

# WANTED

for crimes against humanity

Suharto will be welcomed with full state honours to the APEC summit in Vancouver this November. PROTEST!

## Suharto

President of Indonesia

- retired general, Asia's senior dictator
- seized power in 1965 coup, at cost of up to one million dead
- ordered invasion of East Timor in 1975. One Timorese out of every three has died since
- refused ten United Nations resolutions to withdraw from East Timor
- has presided over the death of 100,000 indigenous people in West Papua and thousands of Muslims in Aceh
- refuses to allow democracy in Indonesia
- jails protesters
- has banned free trade unions, so that wages can be held to \$2 a day
