### INTERNAL CONFLICT

This category of documents preserved by the Historical Archives of Centro Chega! includes public statements and speeches given by pre-eminent political leaders and survivors in the period 1974-1976. The related documents encompass issues such as the founding of political parties in Timor Leste, launch of an armed movement by UDT on 11 August 1975, and the armed insurrection of FRETILIN on 20 August 1975. The category also contains testimonies of human rights violations related to the developments that unfolded in 1975.
