MTG 9/11/80 ADA w/ Arnold, BPC, Jeremy,

### A. ICRC (to Arnold) - NO LEAKS

- TIMELINE = out OCTOBER 15

ICRC sees itself

- 1) continuing food & medical
- 2) visiting prisoners as per General Convention  
an emphasis on
- 3) moved towards tracing people

ICRC surveyed most, but not all (implying Indon wouldn't allow)

territory - perhaps 100,000 peoples worth

1) willing to help family reunification, in the  
past Indonesia has been the problem - trying  
to use refugees for a political lever

2) HIGHEST PRIORITY is staying in & protecting  
the people (though there is still a need for  
food to offset malnutrition.) ICRC won't  
jeopardize its position by making political  
or military assessments because they  
feel the situation is getting too serious.

### CONCLUSIONS

- 1) INTERNAT'L PRESENCE IMPORTANT
- 2) NEED TO WORK ON THE ICRC ANGLE

i.e. WITHIN TWO WEEKS

a) SENATE Simmons, Banous, Pell, Eagleton, Chaffee  
Hynes, Levin, Durenberger (LETTERS & FLOOR TALK)

b) House; Memorandum situation visavis ICRC

### ICRC (to Jose)

- A) BUDGET FOR NEXT STINT (6 mos) ALREADY AVAILABLE
- B) PRISONER VISITATION - IF ICRC CAN VISIT PRISONERS IN INDON

WHY NOT IN E. TIMOR

- C) POLITICAL/MILITARY SITUATION QUITE DETERIORATED →  
QUALITATIVE INCREASE IN INDON RETALIATION
